

UPDATED 08.10.2020

COVID-19 PROCEDURES

Please see this short 6 point guide for parents.

- Please make sure your gymnast arrives on time. Due to staff numbers we cannot admit entry to gym if they arrive late or at the wrong time.
- A parent/carer **MUST** be present while the gymnast's temperature is taken, you may then leave your child if their temperature is ok and no Covid-19 symptoms are showing
- All personal belongings are to be taken away with the parent/carer, this includes shoes, phones etc – there is no space to leave **ANY** personal items.
- Gymnasts should arrive ready for class in a freshly washed clean leotard and shorts – we can no longer provide changing facilities. Gymnasts do not need to wear a mask.
- Gymnasts are required to use the hand sanitiser provided by NDDGC **ONLY** – they cannot bring their own.
- We are operating a one way system. The classes are being held in the Main Sports Hall and we will be entering and leaving the gym by different doors. Parents/Carers must be there to greet them on time – we do not have extra coaches to look after your child if you are late.

This is a short guide, full written guidance is provided on the Club's website www.northdevongymnastics.org.uk. We have worked very hard throughout the period of the clubs' closure to ensure that the health & safety of all gymnasts/staff and volunteers is our top priority. We understand that this is a worrying time, but please be reassured we are following all of the specialised guidance provided by the Government, British Gymnastics and Sport England.
